

FREE TANCET COACHING FOR MBA

SVS Institute of Management Studies was established in the year 2009, located in natural environment with lot of greeneries around the campus. It is in the suburbs of Coimbatore, the city known for its industrial, educational establishments. As it is away from the congestion of city and hustle free, students can enjoy a calm and clean environment. The college has ISO-9001-2008 certification, approved by AICTE, New Delhi and affiliated to Anna University of Technology. In line with the industrial growth of the country the institute is committed towards

in shaping the future managers who are going to lead the tomorrow's corporate world. The institution is strongly recognized by the student community in short span of time due the academic performance of the students and the placement activities carried out by the institute. The first batch of the students bagged three university ranks among the affiliated institutions and all the sixty of them got their degree at the end of their academic year.
